

SOCIAL STORY: SCHOOL SUMMER BREAK

1

School Is Finished

The school year has finished.
Now it is time for the summer holidays.
Lily will have a break from school and enjoy
some time away from her usual school routine.

2

Lily Can Choose

The summer holidays are full of choices.
Lily can choose how she would like to spend her
time each day. Some days she may want to go on
an adventure, while other days she may prefer a
quiet day at home. Both are wonderful choices.

3

Going on Adventures

If Lily would like to, she can visit family or
friends, spend a day at the beach, go to the park,
explore nature, or enjoy a trip somewhere new.
There are lots of exciting places she can visit
during the summer holidays.

4

Enjoying Time at Home

Lily can also have fun at home. She might choose
to draw, colour, read books, build with toys, do
crafts, listen to music, or play her favourite games.
Relaxing at home can be just as enjoyable
as going out.

5

Trying New Activities

Summer is a great time to try something different. Lily might learn a new skill, ride her bike, bake, help in the garden, play outside, or discover a new hobby.

She can decide which activities she would like to try.

6

Every Day Can Be Different

Some days Lily may feel energetic and want to be busy. Other days she may want to slow down and rest. She does not have to do the same thing every day.

She can make choices that help her feel happy, calm, and comfortable.

7

Looking Forward to Summer

The summer holidays have only just begun.

Lily has lots of time to enjoy the weeks ahead.

She is looking forward to making happy memories throughout the summer.
